To P' Porsche's,

It's such an honor to work with you and come to your wedding. You're the first colleague whose wedding I've ever been to, and it's very beautiful.

I really hope we get to know each other more. Your sense of humor made the workplace so much more relaxing. It's a shame I didn't go over to the MM team more often to experience that.

Lastly, my contact information is in this file. I'm sure we'll have a chance to meet up again. Also, if you come to Ho Chi Minh City, let me know. I live on the top floor this ice cream shop: Scoopy Ice Cream Nguyn Trãi

Sincerely, Man and a few AIs to make this letter sounds fancy

A handwritten signature in black ink that reads "Sithipath". The script is cursive and elegant, with the first letter 'S' being particularly large and stylized.
