To P' Pun,

It's been an honor working with you, even though it was a short time. I'm really grateful for all your support. I hope you have a great time in Singapore, and I hope we meet again.

My contact information is in this file. If there is anything I could help, do not hesitate to reach out, I will do the same. Also, if you come to Ho Chi Minh City, let me know. I live on the top floor this ice cream shop: Scoopy Ice Cream Nguyn Trãi

Sincerely, Man and a few AIs to make this letter sounds fancy

A handwritten signature in black ink that reads "Sithipath". The script is cursive and elegant, with the 'S' being particularly large and flowing.
