To N' Fah,

It's been an honor working with you, even for such a short time. You've shown me how resilient you are, and I really wish I'd gotten to know you better. I hope you do great things at the BOT or wherever you go. I hope we cross paths again down the line.

My contact information is in this file. If there is anything I could help, do not hesitate to reach out, I will do the same. Also, if you come to Ho Chi Minh City, let me know. I live on the top floor this ice cream shop: Scoopy Ice Cream Nguyn Trãi

Sincerely, Man and a few AIs to make this letter sounds fancy
